

Instructions for Viewing Remote Council Meetings

The Municipality of South Huron will be using the Zoom Video Conferencing application during the COVID-19 pandemic to conduct Council meetings remotely to allow for social distancing. To view a meeting please follow these steps outlining how to open the Live Recording of a Council Meeting

Step 1) On the day of the meeting, at the time of the meeting starts a clickable link will appear on the Agendas and Minutes webpage calendar by clicking on the meeting date.

Step 2) Click on the meeting date from the calendar at the time the meeting is scheduled to start. A pop-up window will open displaying the meeting agenda and a clickable link to watch the live recording. Please note that due to large amounts of data transfer when creating a live meeting may result in a short delay from the time of meeting start and when the link appears on the pop-up window.

For more information on accessing live recordings of Council meetings please contact the Clerk's office at 519-235-0310 ext. 0.
