All other staff will receive communication in the next week. There are 7 Certified Guards with 2 Bronze Medallion and 1 Bronze Cross certifications.

7.2 Pool Opening, the pool opening procedures are taking place. The roof is expected to be repaired before opening. Work should begin immediately. Scott has drafted a draft notice to go to the public via social media, FB and websites informing residents that the pools will be opening once the Province gives the go ahead. All patrons will be required to pre-register and do Covid screening prior to swimming. A computer program is being designed making this possible. The Committee requested that Taylor Durand be invited to attend our next meeting. Questions were asked about possible installation of Plexiglass at the Guard House counter.
