

MUNICIPALITY OF SOUTH HURON **STRATEGIC PRIORITIES (2023-2026)**

2025 YEAR IN REVIEW

Strategic Priorities (2023 - 2026)

Background

Council Strategic Priorities were developed by Council and in response to Council's Strategic Priorities staff developed a project workplan for each priority. Council received the project workplan and staff reported to Council on the status of those projects in 2025.

The following **five focus areas were identified** in the 2022-2026 Council priorities:

Council also identified several **decision criteria and considerations** when selecting priorities:

- Living within our means/financial impact;
- Outcome focused/clear measurables are identified;
- Needs-based;
- South Huron focused;
- Forward looking/proactive;
- Aligned with legislative responsibilities;
- Leveraging partnerships with other sectors in our community and/or with our neighbouring municipalities; and
- Finishing what we've started.

Details regarding the 2023 - 2026 Council Strategic Priorities can be found [here](#).

Priority #1: Planning for and Managing for Sustainable Growth

- Create a vision and strategy for managing development and planning for growth
- Drive economic growth and responsible development
- Building a strong and vibrant community by attracting, supporting, and retaining businesses and residents

Objectives

Objective 1.1 Financial Sustainability

Ability to manage finances so the municipality can meet its spending commitments, both now and in the future

Objective 1.2 Infrastructure Planning

Ensure sufficient infrastructure is in place to service growth

Objective 1.3 Growth Management

Strengthen and update policy frameworks to support intentional, sustainable growth and a variety of housing and employment options to drive economic growth and responsible development

Objective 1.4 Economic Development

Building a strong and vibrant community by attracting, supporting and retaining businesses and residents.
