- Reviewed the Crime and Traffic reports for the month of January
- Inspector Younan provided an overview and explanation of the reports with the Board
- Noted that there have been numerous gas drive offs with several being at one location – video surveillance is most helpful in a situation such as this – an arrest has been made
- Canada Revenue Agency – be aware of the scam phone calls and emails
- Criminal Record checks – tracking mechanism in place now to provide stats from year to year
- Have been conducting RIDE Program specific to snow machines
- RIDE program- OPP charged 587 drivers with impaired driving during its annual Festive Reduced Impaired Driving Everywhere (RIDE) campaign from November 24, 2017 to January 2, 2018. Four drivers were charged with Impaired Driving offences in Huron County

- Huron County OPP led all West Region detachments with 234 RIDE events during the campaign
- Huron County OPP and Huron County Paramedic Services announce the launch to Project Lifesaver – Wednesday, January 17, 2018 – primary goal is to provide a timely response to save lives and reduce the potential for injury for adults and children who may wander due to Alzheimer’s, Autism, Down syndrome, Acquired Brain injury and other cognitive conditions
- Project Lifesaver Huron uses radio frequency technology to assist in locating individuals who may wander off. Pre-registered clients wear a one ounce transmitter, similar to a wristwatch that emits a signal every second. If the person goes missing their caregiver

calls 9-1-1 and indicates that they are registered with Project Lifesaver Huron. Trained OPP officers respond to the client's last known location and begin searching for the lost client. Each transmitter has its own unique frequency. The technology is proven to be very reliable and very effective. Worldwide Project Lifesaver has assisted in over 3,300 rescues

- There is a one-time set up fee of \$400 per unit and a monthly fee of \$10. It is because of the generosity of corporate partners such as Bruce Power & Goderich Place that the fees are nominal
- If you are interested in Project Lifesaver Huron please contact Joanne Hickey, Community Paramedicine Coordinator at (519) 524-8394 extension 3331 or visit [www.projectlifesaver.org](http://www.projectlifesaver.org)
- In response to a request at the January meeting regarding managing the complaint process, Inspector Younan provided the Board membership with a pamphlet outlining the details – Office of the Independent Police Review Director (OIPRD)
- The OIPRD makes sure that public complaints against police in Ontario are dealt with in a manner that is transparent, fair, efficient and effective
- For more information on OIPRD, please visit [222.oiprd.on.ca](http://222.oiprd.on.ca)
- Member Hartman Mark questioned if the OPP own snowmobiles – Inspector Younan noted there are two machines in Huron County – in operation, when conditions are acceptable and when resources are available
