Please be advised that Council of the Municipality of South Huron passed By-law #56-2025 on the 6<sup>th</sup> day of October, 2025 under Section 34 of the *Planning Act*, R.S.O. 1990, as amended.

► You are being notified of this application because you are an agency that requires notice, or you have filed a written request with the Clerk to receive the notice of decision.

**Purpose and Effect**

The amendment proposes to rezone portions of the subject property from Extractive Resources (ER1) to General Agriculture (AG1), and from Natural Environment (NE2) to General Agriculture (AG1), to bring the zoning into conformity with the recent South Huron Official Plan update, to recognize existing agricultural uses including the existing barn and cropped areas, and to permit the construction of a single-detached dwelling accessory to agriculture. The Extractive Resources zoning was placed on the subject lands for the previous aggregate pit use; the license has now been surrendered.

**Effect of Written and Oral Submissions**

The planning report was presented with a recommendation to Council. Written and oral comments were received from a neighbour who noted concerns about water quality and existing water bodies.

Council reviewed all materials received on this application and has taken these submissions into consideration when making its decision.
